

SUPPORT OVERVIEW

MILITARY OPERATIONS & TRAINING

(MCO P5100.8, NAVSEA OP-5, MCO P8020.10, MCO 8023.3, MCO P3570.1)

- ❑ Provide Tactical Safety Specialists (TSS) to units involved in tactical training exercises and operations, as requested. TSS billets are “owned” by the base or station, however, they are to be utilized in support of the core safety services:
 - explosives and range safety programs,
 - safety/operational risk management (ORM) assistance,
 - safety training and consultation,
 - workplace inspections
 - mishap investigation support.
- ❑ Oversee explosives safety and range safety programs to ensure installation-level compliance with standards.

MISHAP INVESTIGATIONS

(MCO P5100.8, MCO P5102, 29 CFR 1960)

- ❑ Coordinate all installation mishaps investigations, maintain reports and conduct analyses. Provide tenant commands technical assistance, as requested.
- ❑ Provide safety specialists for safety investigation boards, as requested.
- ❑ Provide assistance in development of 7-day responses on serious mishaps to first general officer when requested.

SAFETY TRAINING & CONSULTATION

(MCO P5100.8 and 29 CFR 1960 apply.)

- ❑ Provide supervisors safety training, provide/coordinate specialized training and training for collateral duty/unit safety representatives.
- ❑ Distribute informational materials, publish news, maintain reference materials, utilize marquees, signs, command television, etc.
- ❑ Coordinate special safety events; fairs, operational pauses, guest speakers, etc.

TRAFFIC SAFETY

(MCO P5100.8, MCO 5100.19, DoDI 6055.4, E.O. 13043)

- ❑ Organize, implement, and supervise complete motor vehicle safety program.
- ❑ Provide driver improvement and remedial driver training courses, motorcycle operator training courses. Oversee emergency vehicle operator courses.

SAFETY INSPECTIONS

(MCO P5100.8, MCO P1710.30, 29 CFR 1960)

- ❑ Conduct inspections of all work centers, buildings, training facilities, and facilities on ranges at least annually, and provide recommended corrective actions.
- ❑ Identify and conduct safety inspections of high hazard work centers, buildings, training facilities, and ranges at least semiannually.

- ❑ Accompany inspectors on all Federal and State safety and occupational health inspections.
- ❑ Inspect child development centers and family home child care facilities.

PERSONAL PROTECTIVE EQUIPMENT

(MCO P5100.8, 29 CFR 1910, Subpart I)

- ❑ Conduct/provide technical assistance on PPE surveys and determine requirements.
- ❑ Assist in selection of appropriate PPE and provide training to personnel regarding its use.

SAFETY & OCCUPATIONAL HEALTH

(MCO P5100.8, MCO 5100.30, 29 CFR 1960; 29 CFR 1910)

- ❑ Provide installation safety policies/guidance. Ensure host/tenant agreements include safety.
- ❑ Evaluate lockout/tagout program annually, provide technical assistance and coordinate appropriate training.
- ❑ Administer respiratory protection program.
- ❑ Oversee asbestos-related activities and provide guidance to asbestos program manager.
- ❑ Manage lead safety program (safety manager appoints a lead program manager).
- ❑ Oversee fall protection programs.

- ❑ Oversee safety aspects, provide training and technical support for ergonomics programs.
- ❑ Monitor exposure control plans and provide training on the bloodborne pathogens program.
- ❑ Manage safety aspects of hazardous materials control program.
- ❑ Manage laser, radiation, and radiofrequency radiation safety programs
- ❑ Administer off-duty/recreation safety program.

OCCUPATIONAL HEALTH SERVICES

(MCO P5100.8) Navy medical personnel normally provide these services.

- ❑ Ensure industrial hygiene and occupational and environmental medicine support is provided.

Commanders at all levels are responsible for ensuring that the Marine Corps Total Force is maintained at the highest level of readiness by incorporating operational risk management (ORM) in all operations, assuring controls exist for hazards that cannot be eliminated, and providing appropriate safe and healthful facilities for all their personnel.
